

# Environmental Consultant Mudgee, NSW

## More than just an environmental consultancy

Eco Logical Australia (ELA) exists to empower employees and clients to make a difference. We pride ourselves as being **Approachable Experts**, who lead with science to help our clients navigate complexity, achieving the best possible outcome for them and for the environment.

Our **workplace flexibility** provides the opportunity to work anywhere in Australia, from our capital city and regional offices, to working from home. Our people are industry leaders – passionate, talented, and all-round nice people! We are proud of our standing within the Professional, Scientific, and Technical industry, reporting statistics higher than average on representation of women within our workforce (57%), with 56% of management positions being held by females.

Our commitment towards Diversity, Equity and Inclusion creates a place of belonging, and a safe workplace where people are respected for their contributions. This commitment builds on our company's foundational values of **Listen First**, **Share your Genius**, **Be Courageous**, and **Feed the Culture**. We offer part-time and flexible hours for any job opportunity to allow our people to live their best life.

That's what truly makes us... **more than just an environmental consultancy**.

## About the opportunity:

As part of our **Regional NSW Team**, our Mudgee office in Central West NSW is experiencing continued success in the resources and renewable energy sectors. We're searching for an **Environmental Consultant** to join our talented team.

The role will involve working on large and small scale projects both around Mudgee and further afield, delivering innovative environmental management and conservation planning projects both to our clients, and to regional Australia. At ELA we encourage employees to **rethink** traditional methods of project delivery and develop **innovative solutions** for our clients.

You will have the opportunity to work on a diverse range of projects, including both State and Commonwealth impact assessment, approvals, operations, and compliance, as well as local development and conservation projects.

The town of Mudgee, in Central West NSW, is a hive of cultural activity located only 270 km from Sydney. With beautiful heritage streetscapes surrounded by amazing National Parks, Mudgee offers an exceptional lifestyle choice for those looking to escape the rat race. From museums and galleries to internationally renowned wineries and restaurants; festivals and national sporting competition games, Mudgee is a welcoming country town with all the perks of a city.

## About you:

**If you have read this far, we are already at the stage where we want to meet you!**

We *could* provide a long list of attributes necessary for the role, but we don't want criteria getting in the way of an outstanding application. We already know you are looking for the **right company** where you

can grow your **passion** for environmental management, further develop your field skills, and showcase your talent as a project manager. Experience in site operations and compliance would be an advantage, although not essential. If you are someone who can laugh hard and work hard within a team of motivated, high-performing, professionals, **you'll fit right in.**

**We will offer you:**

We will discuss remuneration with you in person. In the meantime, you will be comforted to know we are Workplace Gender Equality Agency (WGEA) compliant, reviewing equality of pay across each role. We promote flexible working for all positions, whether is a full-time position (38 hour week) or part-time position (pick a number).

You can view our **extensive company benefits** [here](#), and be encouraged to know that we have a progressive, non-gendered, 12 weeks paid parental leave policy. Oh, and let's not forget the **birthday leave** benefit (that's right, you get an **extra day off** on your birthday!).

**Next steps:**

If you are an Australian citizen or resident, are seeking a friendly and professional organisation where workplace culture is highly valued, and where you can grow and further develop, please forward your application, including a cover letter telling us a bit about yourself, to Donna Barlow, HR Coordinator, via email [recruitment@ecoaus.com.au](mailto:recruitment@ecoaus.com.au).

For further information about the position please contact Kalya Abbey, Mudgee Region Manager, on 0410 503 959.
