

## **Bush Regeneration Team Members**

### **(Qualified and Trainees)**

**PERMANENT / CASUAL, FULL / PART-TIME POSITIONS**

**HARRINGTON PARK, WESTERN SYDNEY**

**Are you seeking a company that:**

- ✓ **Values and rewards employees**
- ✓ **Offers professional opportunity, growth and flexibility**
- ✓ **Offers interesting and challenging projects in a supportive and fun workplace**
- ✓ **Actively encourages employee feedback and employee share ownership**
- ✓ **Provides on the job and external training and a career path through bush regeneration with opportunities for a transition to consulting activities**

Eco Logical Australia is one Australia's largest specialist environmental consultancies and leading provider of environmental services. As a result of continued growth we seek several bush regenerators (qualified and trainee) with the following skills, experience and knowledge:

#### **Essential**

- Passion and demonstrated interest in bush regeneration
- Current NSW drivers licence
- Physically fit for the inherent requirements of the role
- Ability to work as part of a team and under direct supervision

#### **Desirable**

- Certificate II or III Conservation and Land Management (CALM)
- Cert III or above in Aboriculture
- OHS Green/White Card
- Senior First Aid Certificate
- Chemical Users Accreditation (Chemcert or smart train)
- Certificate in Chainsaw Operations (level 1) and demonstrated experience using chainsaws
- Demonstrated experience using brushcutters and augers
- Demonstrated experience in herbicide spraying using backpacks, booms and high-volume units.
- Demonstrated experience and/or qualifications using bobcats, positracks, chippers, slashers and other relevant agricultural machinery
- Previous bush regeneration experience highly regarded.
- Field ID skills for relevant flora and fauna highly regarded
- Other relevant training and/or experience (e.g. Horticulture) considered

Permanent, full-time, part-time and casual positions are being offered. Works are based out of our depot at Harrington Park, Western Sydney however we undertake works all over the Sydney Basin and beyond.

If this sounds like the opportunity you have been looking for and you are an Australian resident, are seeking a friendly and professional organisation where workplace culture is highly valued, and where you can grow and further develop please forward your application to our HR team via email: [hr@ecoaus.com.au](mailto:hr@ecoaus.com.au). For further information please contact Andrew Whitford on 0410 244 845.
