

Ecologist

ECO LOGICAL AUSTRALIA PTY LTD is one of Australia's leading environmental assessment, strategic conservation planning and ecosystem management consultancies. In 2017 we continue to grow and build our business across Australia.

We believe that we make a significant contribution to improving environmental outcomes in Australia by delivering high quality consulting services that combine a landscape approach with sound scientific principles, strategic thinking, effective communication and integrity. We pride ourselves on a unique culture and place high emphasis on the recruitment of people who share our values of:

- ❖ Listen first
- ❖ Be courageous
- ❖ Share your genius
- ❖ Feed the culture

We have an exciting development opportunity for **an experienced Ecologist** to join our team of dynamic and highly respected environmental professionals.

This role will primarily involve undertaking work on a variety of projects in the fields of ecology, vegetation management, biobanking, environmental planning and conservation assessment.

Ideally we are seeking people who have:

- A degree or higher in Environmental Science or related discipline;
- Experience in botanical survey and assessment;
- An ability to classify vegetation types;
- Exceptional written and verbal communication skills;
- The ability to build and nurture client relationships, manage simultaneous projects, work within a budget and meet deadlines;
- Practical and working knowledge and understanding of relevant NSW and Commonwealth legislation;
- The ability to undertake field survey in various environments;
- A current driver's license.

While not essential, it's also desirable that candidates have:

- Consulting experience;
- Experience in the Central West region highly regarded; and
- Understanding of the NSW government biobanking and biocertification schemes.

We offer a **competitive remuneration** package, **generous employee benefits**, a **fantastic team** and great clients to work with.

If this sounds like you and you are an Australian resident seeking a friendly and professional organisation where workplace culture is highly valued, please forward your application to hr@ecoaus.com.au before close of business Friday 22 September 2017.
