

## EXPERIENCED ECOLOGISTS

### **Are you seeking a company that:**

- Values and rewards employees
- Offers professional development opportunities and growth, learning from industry leaders
- Offers interesting and challenging projects and an opportunity to travel to diverse locations
- Is a flexible, fun and supportive workplace that values employee feedback and ideas

### ***If yes- then check us out!***

#### **About us:**

ECO LOGICAL AUSTRALIA PTY LTD, is one of Australia's leading environmental assessment, strategic conservation planning and ecosystem management consultancies. As a result of continued growth through exciting projects, the ELA team is always on the look-out for experienced ecologists to join their national team. We are the largest employer of ecologists in Australia and have a presence in every state.

#### **About the Role:**

We are looking for experienced mid to senior level ecologists and will tailor a role for you based on your current skills and experience as well as your short to medium term development goals. You will be involved in a wide variety of ecological projects working with a range of fantastic clients. Projects we undertake include: ecological impact assessments, biodiversity offset plans and strategies, strategic conservation planning, ecological monitoring, vegetation and habitat mapping and ecological restoration.

#### **About you:**

This role will allow you to combine your passion for environmental management, field ecology skills, flora and fauna identification skills, legislative knowledge, well-developed writing and project management skills to create great outcomes for the business and our clients.

We will provide you with great opportunities to further develop your ecological expertise, broaden your project management experience and work with a team of fun, approachable experts!

To join our team, you will also have:

- At least three years' experience in ecological survey and assessment
- Current driver's licence

And need to be:

- Adaptable, approachable and flexible
- Keen to grow your career
- Committed to quality
- Energetic
- Ready to live our values

**We will offer you:**

A competitive remuneration package in addition to a range of other benefits including paid parental leave, study assistance, professional development, opportunity to purchase additional leave or salary sacrifice for superannuation contributions, birthday leave and a host of health and wellbeing initiatives.

If you want to join us and you are an Australian resident, then forward your application to Sue Nichols, Human Resources Manager, via email [hr@ecoaus.com.au](mailto:hr@ecoaus.com.au). Please include “Experienced Ecologists” in your email subject line.
